

Corporate Finance Strategy Disclosure

As stated in Article 38(1)(a) & ESMA Q&A's 6(q1)

When Panmure Gordon provides information relating to a client's Corporate Finance strategy there may be other financing alternatives available to the client, however, the firm may not have the expertise in-house to provide definitive information regarding these alternatives, and therefore encourages you, the client, to seek independent advice to assess any financial alternatives when Panmure Gordon is unable to offer you these financial instruments.
