Professional Client Terms of Business

June 2026

Professional Client Terms of Business

These terms ("**Terms of Business**" or "**Agreement**") will apply to you, to any accounts opened with us by you or on your behalf, to any trades or transactions effected with or through us and to any future accounts that you may open with us and shall apply if you act as a fund manager to the funds and assets of your underlying clients ("**Your Clients**").

Unless the context otherwise requires, reference in these Terms of Business to the "**Rules**" shall mean the Handbook of Rules and Guidance of the Financial Conduct Authority ("**FCA**") and any word or expression defined in the Rules (unless otherwise defined in this Agreement) shall have the same meaning when used in these Terms of Business.

In the event of any conflict between these Terms of Business and any market rules or requirements, the market rules or requirements shall prevail.

1. OUR PARTICULARS

In accordance with the Rules, Panmure Liberum Limited ("**Panmure Liberum**" or "**we**") a firm authorised and regulated by the FCA (whose address is 12 Endeavour Square, London E20 1JN), are writing to inform you that we propose to classify you as a Professional Client for the purposes of the Rules in respect of all investment business which we may conduct with or for you and to set out below the terms upon which this business will be conducted. This is based on our understanding that you act for underlying customers and wish to benefit from the protections available to Professional Clients.

As a Per Se Professional Client you will not receive the same protections afforded to Retail Clients under the Rules and we are entitled to assume that you have knowledge of the risks deriving from trading in investments proportionate to your status as a Professional Client. Where you would be categorised as a Retail Client but, following your request, have been re-categorised as an Elective Professional Client, please refer to the separate client categorisation notice we have provided to you for further information on the protections lost as a result of your amended client classification. As a Per Se Professional Client, you have the right to request that we re-categorise you as a Retail Client or Eligible Counterparty (as defined in the Rules). We will not be obliged to accept such a request, although we will consider any such request carefully and may discuss it with you. It is, therefore, important that you contact us immediately if you do not agree with your classification as a Professional Client or, if there is anything in these Terms of Business to which you are unwilling to agree. We will not treat "Your Clients" as our own clients and by entering into this Agreement you agree that we owe no duties to Your Clients, save to the extent that any such duties are expressly set out in this Agreement.

For the avoidance of doubt, Panmure Liberum is not a systematic internaliser ("**SI**"), a multilateral trading facility ("**MTF**") or an organised trading facility ("**OTF**") (as such terms are defined in the Rules). Panmure Liberum has registered as a Designated Reporter under the FCA's Designated Reporter Regime

Your receipt of these Terms of Business creates a legally binding agreement between us, and wholly supersedes any previous correspondence between us relating to the terms upon which we conduct business with or for you.

If you are based in Australia, Panmure Liberum is exempt from the requirement to hold an Australian financial services licence. The services provided to you under this agreement are provided on the basis that you are a "Wholesale Client" within the meaning of section 761G of the Corporations Act 2001 (Cth). By accepting these Terms of Business and providing us with instructions in relation to transactions in financial instruments, you represent and warrant to us that you are a Wholesale Client.

2. THE SERVICES WE PROVIDE

These Terms of Business govern the provision by us to you of dealing and execution services in securities of all kinds and on all markets including but not limited to any Recognised Overseas Investment Exchange or Designated Investment Exchange as identified by the FCA from time to time and Trading Venues (as defined below), NASDAQ, the Voluntary Carbon Market ("**VCM**") and off-exchange over the counter liquidity platforms. We will not deal for you in, futures, options and contracts for differences, without first entering into a separate agreement with you. These Terms of Business will also apply to any research services we provide subject to any other terms which are separately agreed with you. Investment banking and capital markets services may also be provided on terms to be agreed separately for each particular matter.

- 2.1 These Terms of Business also govern cases in which you may act as an underwriter or sub underwriter of investments, subject to any additional terms which may be mutually agreed in any particular case.
- 2.2 We will not provide investment advice in the form of personal recommendations (as defined in the Rules) to you and therefore, in relation to transactions you enter into with us, you do so in reliance solely on your own judgment and we make no assessment of the suitability of such transactions for you.
- 2.3 We will provide execution only services to you as a Professional Client. You acknowledge that in the provision of such execution only services to you, we are entitled to assume that you have the necessary experience and knowledge in order to understand the risks involved in relation to those services or transactions, or types of transaction or product, for which we have classified you as a Professional Client, and therefore we do not have to ensure that any such service or transaction, or types of transaction or product, is appropriate for you.
- 2.4 You should bear in mind that merely explaining the terms of an investment or its performance characteristics does not itself amount to advice on the merits of the investment. In addition, we do not provide legal, tax, accounting or actuarial advice - if you consider it necessary you should contact your own advisers in these fields.
- 2.5 The services may include executing transactions in unregulated collective investments schemes.
- 2.6 We may appoint and use any person as our agent, on any terms we think appropriate, to assist us in the provision of our services under this Agreement. Without prejudice to the foregoing, we may carry out any transaction with or for you directly or, in our discretion, with or through an agent, broker, intermediary, member of all exchange/clearing institutions or other third party (each a "**Third Party**").
- 2.7 We may also share information with and provide or arrange for the provision of any or all of our services to you under this Agreement, or carry out any activity connected with such services or with any of your transactions or your accounts with us, including, without limitation, any administrative, execution or settlement function, from any Panmure Liberum Group offices, by any Panmure Liberum Group member, whether located in the United Kingdom or elsewhere. For the purposes of this Agreement the Panmure Liberum Group means Panmure Liberum Group Limited, its "group" as defined in the Financial Services

and Markets Act 2000 and each member of the Panmure Liberum Group's directors, employees, agents and nominees.

- 2.8 Where we disclose the target market for a particular product to you it is your responsibility to ensure that you fall or your principal falls within the target market criteria disclosed by us for the product and we will not be responsible for undertaking this assessment for you.

3. INSTRUCTIONS AND COMMUNICATIONS

- 3.1 All customer orders and trading instructions ("**Instructions**") given to us by you or on your behalf are at your own risk and shall be given orally (by telephone) or in writing or electronically or by any other means agreed with us (in English). Orders received electronically are not deemed to have been accepted for execution until executed by us on your behalf. Our sending to you of an acknowledgement of receipt is not an agreement on our part to execute your order. On receiving and accepting Instructions from you in respect of transactions, we shall enter into those transactions as soon as reasonably practicable, unless we believe that such transactions may not be practicable or might involve any party in a breach of any law, rule or regulation or Trading Venue (as defined below) or code of practice or to do so would, in the reasonable opinion of Panmure Liberum, be unreasonable in the circumstances. If Panmure Liberum declines to follow your Instructions it shall, subject to applicable law, promptly notify you but shall have no liability for any expense, loss or damage you incur by reason of any omission so to do.
- 3.2 We shall be entitled to rely and act on any Instruction or communication which purports to have been given (and which is reasonably accepted as having been given) by a person acting on your behalf and assume that such person is authorised to give such instruction on your behalf.
- 3.3 We shall not be under any obligation to quote, execute or otherwise enter into any particular transaction, or to accept and act in accordance with any Instructions. We shall not be responsible for any delays, inaccuracies or omissions in the receipt of your Instructions or in the transmission of orders or other information to us by you except to the extent such delays, inaccuracies or omissions are caused by our gross negligence or wilful default.
- 3.4 You will be solely responsible for and agree to indemnify us in respect of any loss, costs or expenses suffered or incurred by us as a result of any errors in your Instructions to us.
- 3.5 If you place Instructions with us, we may, at our discretion, effect the same for you as riskless principal. Notwithstanding this, where you are acting as an agent or intermediary for another person, we will treat you alone as our customer for the purposes of the Rules. We do not have or accept any responsibility towards any person on whose behalf you are acting, unless we have established a separate client relationship with that person.
- 3.6 We may record, monitor and retain all communications (including email, electronic messaging and facsimile), telephone conversations and other electronic communications made between us and you consent to us recording, monitoring and retaining such communications. You acknowledge and agree that we will retain such records for whatever period may be required by internal policies and/or applicable law and the records will be available to you upon request during such period. Where you request such records, you understand and agree that we may charge an administration fee and such fee will be disclosed to you in advance of any related costs being incurred. You are advised that

recordings of conversations may be used as evidence in the event of a dispute or upon request by the relevant regulatory authorities.

- 3.7 Where you provide us with information relating to your order or proposed transaction, we may use that information to facilitate the execution of your orders or transactions, in managing our market making, other client facilitation activities or otherwise in carrying out our legitimate business (which may include, but is not limited to, hedging a risk or otherwise limiting the risks to which we are exposed). Client facilitation activities may include, without limitation, us taking a principal position in relation to providing clients with quotes or as part of the ongoing management of inventories used to facilitate clients.

4. REPORTING

- 4.1 We will issue contract notes in respect of, or otherwise confirm in writing by letter or electronically, all transactions carried out by us on your behalf, no later than one UK Business Day ("**UK Business Day**" means a day other than a Saturday, Sunday or public holiday in England and Wales on which banks in London are open for general commercial business) following the execution of that transaction, or, if later, within the time required by the Rules or other applicable law as amended from time to time. You expressly agree to the use of email as a method of communication. You may request information on the status of your order at any time.
- 4.2 In the absence of manifest error, all contracts, confirmations and statements shall be conclusive and binding on you unless, immediately following receipt of them by you, you give us notice in writing of any objection.

5. BEST EXECUTION

- 5.1 Your order will be executed in accordance with our Best Execution & Order Handling Policy (as amended from time to time), a summary of which has been provided to you. You consent to your transactions being handled in accordance with our Best Execution & Order Handling Policy. Where necessary, you consent to us executing your orders outside of a Regulated Market, MTF or OTF ("**Trading Venues**"). Any material changes to our Best Execution & Order Handling Policy and execution arrangements will be made available on our website <https://www.panmureliberum.com/compliance-regulatory>.
- 5.2 In relation to any limit orders you give in respect of shares admitted to trading or traded on a Trading Venue within the UK or the European Economic Area or any other execution venue outside of these jurisdictions which are not immediately executed under prevailing market conditions, you expressly instruct us not to display such limit orders.

6. TRADE REPORTING AND TRANSACTION REPORTING

- 6.1 Panmure Liberum will treat you as a MiFID investment firm for the purposes of trade reporting unless you notify us otherwise.
- 6.2 Panmure Liberum will aim to execute orders from you on venue or under the rules of a venue. If you request a risk price in a liquid security, Panmure Liberum will execute under the rules of a venue if the required waiver is available. Where executions have not been trade reported by a venue or under the rules of a venue, we shall perform the trade reporting obligations to TRADEcho unless you notify us otherwise. This provision does not mitigate

any reporting obligations that you may have with regards to any regulator, third party or underlying client.

- 6.3 To enable us to comply with our reporting obligations, you agree to promptly deliver to us any information that we may from time to time request to enable us to complete and submit transaction reports to the relevant competent authority. You consent to us providing information about you (or, where applicable, your principal(s)) and transactions executed with or for you (or, where applicable, your principal(s)) to competent authorities in the course of submitting transaction reports and to us making public relevant details of quotes provided to you and transactions executed for you in accordance with applicable law. For the avoidance of doubt, Panmure Liberum does not provide assisted transaction reporting.
- 6.4 You must advise us of, and any change to, your Legal Entity Identifier (“LEI”) and we accept no responsibility for the accuracy of your LEI. If you fail to provide an LEI or an LEI which you have previously provided has lapsed or been made inactive, we may not be able to trade on your account.
- 6.5 Panmure Liberum will report transactions with you at the order booking level at an average price unless agreed otherwise.

7. VOICE ORDERS/TRADING

For the purposes of our and, if you are a MiFID investment firm, your record keeping and reporting obligations under UK MiFID II and UK MiFIR, you and we acknowledge and agree that, unless we otherwise expressly agree with you:

- 7.1 where we have a telephone conversation with you during which we discuss with you the details of an order relating to a financial instrument that we wish you to execute on behalf of one or more Clients, then the time of such order will be the time (measured to the second) that is expressly agreed with you during such call. In the event that we do not expressly agree a time with you, then no actionable order will have been transmitted to you by us until:
- A. if the arrangement between us is such that you confirm the details of such orders back to us by electronic message, the precise moment that the details of the order have been confirmed back to us by you by electronic message; or
 - B. if the arrangement between us is such that you do not confirm the details of such orders back to us by electronic message, the precise moment that such telephone conversation ends, which, in either case, shall constitute the time of the order; and
- 7.2 where we have a telephone conversation with you during which we discuss the terms of a transaction in a financial instrument that we wish to execute with you directly on behalf of one or more Clients, then the time of such transaction will be the time (measured to the second) that is expressly agreed with you during such call. In the event that we do not expressly agree a time with you, then no transaction will arise between you and the relevant Clients, and any pricing discussed during the call will constitute indicative pricing only, until:
- A. if the arrangement between us is such that details of such transactions are electronically affirmed by you and us using an electronic matching platform, the moment at which such affirmation is generated within the matching platform;

- B. if the arrangement between us is such that details of such transactions are confirmed back to us by you by electronic message, the precise moment that the details of such transaction are confirmed back to us by you by electronic message; or
- C. in all other circumstances, the precise moment that such telephone conversation ends, which, in each case, shall constitute the time of the transaction.

8. CHARGES

- 8.1 Charges shall be in accordance with the rates which have been agreed with you from time to time and may be shared with any of our connected companies (as defined below) or, where permitted by applicable law, with Third Parties. Any changes to these charges will be made only after notification to you. Our charges vary according to the transaction or service and client, and may differ from those incurred by another client in a similar transaction. Charges may include a commission and/or a mark-up or mark-down, brokerage fees, transfer fees, registration fees, custody fees, taxes, duties and all other liabilities, charges, costs and expenses payable and incurred by us or any Third Party in connection with services which we or they provide to you.
- 8.2 You will pay to us on the settlement date all of our commissions and other charges in connection with the provision of our services, calculated on such basis as we may have agreed with or notified to you from time to time, together with any applicable value added tax. We may deduct from sums due to you or withhold any such estimated or actual charges at our reasonable discretion. Any difference between such estimated amounts and the final confirmed liability shall be promptly credited or debited to your account as appropriate.
- 8.3 You will reimburse us for all reasonable out-of-pocket expenses relating to our provision of services for you, including, but not limited to, the cost of travel and accommodation expenses.
- 8.4 We will, in good time before the provision of services to you, provide you with appropriate information in relation to the costs and charges relating to:
 - A. the services we provide to you;
 - B. any financial instrument we recommend or market to you; and
 - C. any third party payments we receive in connection with the services we provide to you.
- 8.5 You agree that you will not be provided with any information on costs and charges that is only required to be provided to Retail Clients under the Rules.
- 8.6 Where we have or have had an ongoing relationship with you we will also provide you with appropriate information in relation to the costs and charges you have incurred annually.
- 8.7 You may request a breakdown of the costs or charges applicable to you at any time. If you would like to receive such a breakdown you can do so by contacting your usual Panmure Liberum contact.

9. CONFLICTS OF INTEREST

9.1 We and our connected companies may effect transactions with or for you, notwithstanding that we, or a connected company, may have an interest, relationship or arrangement that is material in relation to the transaction or investment concerned. We have established organisational and administrative arrangements to identify and prevent or manage conflicts of interest. However, these may not be sufficient in every case to ensure, with reasonable confidence, that the risk of damage to your interests will be prevented.

9.2 A summary of our conflicts policy is available on our website be <https://www.panmureliberum.com/media/4shhve5j/summary-conflict-of-interest-policy.pdf> Any material changes to this conflicts policy will be made available on the website from time to time.

9.3 The following are, without limitation, some examples of situations in which we or any other member of the Panmure Liberum Group may have a conflict of interest:

- A. we or a connected company may deal as principal or make a market in the investment and may consequently have a long or short position with respect to such investments;
- B. we recommend to you the purchase or sale of a security which another customer has instructed us to buy or sell;
- C. we may match your order with an order from another client (who may be a person connected with us) acting as agent for both parties or with ourselves for the purposes of client facilitation, market making or proprietary trading in which case we will be acting both as your agent and as principal on our own behalf;
- D. we or a connected company may provide corporate finance or broking services to the issuer or seller of the investment;
- E. we or a connected company may be sponsoring, underwriting or otherwise participating in the issue of the investment;
- F. we or a connected company carry out regulated activities for other customers;
- G. one of our directors or employees, or a director or employee of a connected company is a director of, holds or deals in securities of, or is otherwise interested in any company or fund whose securities are recommended to you; and
- H. we may recommend a transaction in securities in respect of which we or a connected company may benefit from a commission, fee, mark-up or mark-down payable otherwise than by you, and/or we or a connected company may also be remunerated by the counterparty to any such transaction.

9.4 In order to treat you fairly, we have implemented policies and information barriers to prevent or manage these potential conflicts. We and our connected companies are required to comply with a policy of independence and to disregard any interest, relationship or arrangement when providing the services to you (including without limitation effecting transactions with or for you). If this is not possible in relation to a particular transaction, we will notify you of this and decline to effect or advise you on the relevant transaction.

- 9.5 We have implemented policies and arrangements (known as **"Information Barriers"**) to prevent or manage these conflicts and restrict access by employees of Panmure Liberum to information relating to areas of its business with which, and the affairs of customers with which, they are not directly concerned.

10. AGGREGATION OF BARGAINS AND AVERAGING

Subject to the principle of best execution set out in paragraph 5 above, we may aggregate your orders with orders of other customers, or own orders, or those of persons connected or unconnected with us, for execution where we believe it is in the overall best interests of our customers to do so, in accordance with our order allocation policy. Combining your orders in such a way may result in you obtaining a less or a more favourable price than if they had been executed separately. You agree that where we enter into a number of transactions over a period to fulfil a single order we shall be entitled to use a uniform price being the weighted average of the prices so obtained.

11. CLIENT MONEY AND CUSTODY ARRANGEMENTS

- 11.1 We consider it unlikely that we will hold money for your account. Where we do so, however, we agree that such money should be treated as client money in accordance with the Rules. Such money will be held in a separate client bank account with an authorised bank. Some of the money may be deposited in a client bank account outside the United Kingdom. The legal and regulatory regime applying to such a bank will be different to that of the United Kingdom and, in the event of the failure of the bank, rules could apply which are different to those which would apply if the account were held in the United Kingdom. Where your funds are held by such a bank, we will notify you accordingly. Typically, we are not responsible for the acts and omissions of other parties, where we are, we will notify you.
- 11.2 Where a custodian (whether us or a third party) ("**Custodian**") agrees in writing to hold assets on your behalf, the Custodian may arrange the registration of your safe custody investments in any name permitted by the FCA CASS Rules. In particular, but without limitation:
- A. registration in the name of a person nominated by you. In such situations you instruct us that documents of title to your safe custody investments may be held in the name of a person nominated by you, as long as such person is not one of our group companies. Please note that the consequences of so holding will, unless we have otherwise agreed, be at your own risk;
 - B. registration in the name of the Custodian. Normally, legal title to safe custody investments in registered form will be registered or recorded in your name or that of an appropriate nominee. However, due to the nature of the applicable law or market practice in certain jurisdictions outside the United Kingdom, if we believe that either:
 - A. It is in your best interests for your safe custody investments to be registered or recorded in the name of the person who is a Custodian for the purposes of the FCA CASS Rules; or
 - B. It is not feasible to do otherwise because of the nature of the applicable law or market practice.

In such cases, your investments may be registered in the name of the Custodian and the safe custody investments may not be segregated and separately identifiable from the designated investments of the Custodian,

- C. we may hold physical possession of safe custody investments in accordance with your specific instructions. Please note that the consequence of so holding will, unless we have otherwise agreed, be at your own risk.

11.3 If such an authorised bank has not given us a trust status acknowledgement as described in the Rules we will notify you accordingly. A failure by an authorised bank to give a trust status acknowledgement means that the authorised bank has not accepted that it has no right of set-off or counterclaim against money held in such accounts in respect of any sum owed on any other account of this company. Furthermore, it is possible that your investments may be commingled with those of the authorised bank, particularly if it is not possible under national law to separately identify these investments. In such circumstances your investments may be treated in law as being the same as those of the authorised bank and in the event of insolvency your investments may not be protected from claims by other creditors.

11.4 We do not currently hold any investments on your behalf. To the extent any investments are held on your behalf, such investments may be registered or recorded in the name of an eligible nominee or eligible custodian (which may include an associated company) or in our name as permitted by the Rules.

11.5 We will not generally accept payments from, or send payments to, third parties.

11.6 We do not pay interest on client money balances.

12. INTEREST AND TAXES

12.1 In the event of default or late payment of any sum due to us, we reserve the right to charge interest at a rate not less than the effective cost to us of borrowing in the relevant money markets an amount equal to the sum due to us.

12.2 In the event of any default or late payment by us of any amount due we agree to pay on demand interest at an equivalent rate.

12.3 You are responsible for all taxes and duties payable with respect to any transaction executed by us on your behalf.

13. SET-OFF AND LIEN

13.1 Subject to the Rules and without prejudice to any other rights which we may have, we shall be entitled at any time to retain, make deductions from or set-off cash or securities which we owe to you (for example, in payment for any securities bought by us from you or sold by us on your behalf) or are holding for you (either directly or through a sub-custodian and on whatever account) in order to meet any liabilities which you may have incurred to us or which we may have incurred on your behalf under these terms (including the indemnity referred to in Clause 19 below and any liabilities or costs incurred when exercising rights under Clause 17).

13.2 Any of your securities held by us or for us under these terms shall be subject to a general lien in our favour in respect of any outstanding amounts due and payable from you to us.

- 13.3 Where any of your securities are held for us in custody, it may be that the custodian or depositary demands a lien, right of retention or sale over your securities to secure a claim by it against us for an unpaid purchase price or for payment of monies advanced to fund a purchase. In certain circumstances, it may be the case that such security interest extends to secure any claim by the custodian or depositary against us, whether in connection with your securities or otherwise. We shall endeavour to agree with such custodian or depositary that it will not have any lien, right of retention or sale or other security interest over your securities, except in respect of any charges relating to the administration or custody of those securities (a “**Basic Lien**”). However, to the extent that this is not possible, a custodian or depositary may have any lien, right of retention or sale or other security interest over your securities, even to the extent that such interest extends further than a Basic Lien. Where we become aware of such a demand, we will inform you.
- 13.4 Nothing in this Clause 13 shall entitle us or any member of the Panmure Liberum Group to exercise any right of set-off or lien against assets and/or funds of one of Your Clients for liabilities owed by another of Your Clients where we are aware, prior to exercising any such rights of set-off or lien, that the assets and/or funds belong to a different one of Your Clients to the person from whom the liabilities are owed.
- 13.5 Third Parties used by us may not distinguish between funds belonging to various of Your Clients. We take no responsibility for any acts of Third Parties.

14. SETTLEMENT

- 14.1 Unless otherwise agreed between us, settlement of all transactions will be in accordance with accepted market practice. However, our obligation to settle transactions is conditional upon receipt by us or our agents on or before the due date for settlement of all necessary documents, securities or funds due to be delivered by you or on your behalf on such date. Further, where any transaction is effected by us acting as your agent, delivery or payment (as the case may be) by the other party to the transaction shall be entirely at your risk, and our obligation to deliver securities to you or to account to you for the proceeds of sale of securities shall be conditional upon receipt by us of deliverable documents or sale proceeds (as the case may be) from the other party or parties to the transaction.
- 14.2 If you instruct us to settle any trade with a third party we may, in our sole discretion, seek to do so provided always that you remain liable in the event of any default.
- 14.3 You confirm and undertake responsibility for the due performance of each and every transaction which we enter into with or for you and, accordingly, if securities or funds are not delivered to us as and when due under any such transaction, you agree with Panmure Liberum (for itself and on trust and as agent for the other persons mentioned below) that you will fully indemnify Panmure Liberum and each member of the Panmure Liberum Group from and against any and all actions, claims, losses, liabilities, damages, costs, charges and expenses which we or they or any of them may suffer, pay or incur directly or indirectly from such failure. We may purchase securities or funds to cover any liability of yours to deliver securities or funds to us and you will reimburse us for any loss we suffer in this way.
- 14.4 In the unlikely event that a situation arises where we are holding your money as client money, in order to complete a transaction, that money may be passed to an intermediate broker, settlement agent or GTC counterparty located in a jurisdiction outside the United Kingdom. Where this occurs the regulatory regime applying to the intermediate broker,

settlement agent or GTC counterparty will be different from that of the United Kingdom. In the event of a default by the intermediate broker, settlement agent or GTC counterparty, that money may be treated differently from the position which would apply if the money was held by an intermediate broker, settlement agent or GTC counterparty in the United Kingdom. If you have any concerns with the above implications independent legal advice should be taken.

- 14.5 Gross executions of SETS trades effected by us as either principal or agent on your behalf may be subject to settlement netting by the London Clearing House.
- 14.6 In respect of transactions undertaken in ID Markets in accordance with Clause 21, you acknowledge that ID Markets impose pre-funding requirements for both purchases and sales. Accordingly, you and Your Clients, where relevant, agree that:
- A. for any purchase order, immediately available cleared funds in the applicable settlement currency must be held in the settlement or custody account with the relevant clearing bank or custodian associated with the National Insurance Number ("**NIN**") issued by the relevant Central Securities Depository ("**CSD**") provided to Panmure Liberum prior to you submitting the order to Panmure Liberum for onward transmission to our Third Party for execution; or
 - B. for any sale order, sufficient stock of the relevant security must be duly lodged in your or Your Client's account with the relevant depository or custodian, in deliverable form, prior to you submitting the order to Panmure Liberum for onward transmission to our Third Party for execution;

accordingly, there is no ability for you or Your Clients to fund a purchase from the proceeds of a simultaneous or same-day sale of other securities unless confirmed available funds are already present in the relevant settlement account.

- 14.7 Where a trade executed by a Third Party, instructed by us, for you or Your Client in an ID Market fails to settle on the scheduled settlement date as a result of any act or omission of you or Your Client, including without limitation insufficient cash or stock pre-funded in accordance with Clause 14.6, you shall bear all costs, losses, penalties and regulatory sanctions arising from that settlement failure, including any buy-in costs imposed by the relevant exchange, CSD or counterparty pursuant to Clause 14.3.
- 14.8 You undertake to notify Panmure Liberum as soon as you become aware of any anticipated inability to settle a trade, and in any event no later than the Exchange Business Day ("Exchange Business Day" means, in relation to a particular exchange operating within an ID Market, a day on which that exchange is open for trading and settlement in the relevant security) prior to the scheduled settlement date. Panmure Liberum will use reasonable endeavours, upon receipt of such notification, to liaise with the relevant Third Party to seek remedial action but shall not be obliged to provide financing or to take any action that would require it to commit its own capital.
- 14.9 If Panmure Liberum, through the relevant Third Party, receives notice from the relevant exchange, CSD or counterparty of a buy-in or mandatory close-out in respect of a trade executed for you in an ID Market that has failed to settle, Panmure Liberum shall use reasonable endeavours to notify you promptly. You or Your Client (as appropriate) shall be

liable for all costs arising from any such buy-in or close-out to the extent that the settlement failure is attributable to you or Your Client.

15. REPRESENTATIONS AND WARRANTIES

15.1 You hereby represent and warrant that:

- A. you have the power, licences and authorisation to enter into and perform this Agreement, and that this Agreement constitutes a legal, valid binding obligation on you;
- B. you will comply with the terms of all authorisations, consents and approvals of any governmental or other regulatory body or authority which are necessary to enable you to use and accept our services and those of each member of the Panmure Liberum Group;
- C. you will comply with all applicable laws and disclosure requirements relating to taxation in any relevant jurisdiction and you will not engage in tax evasion;
- D. you are not a public sector body, local public authority, municipality or a private individual investor or if you are, you have elected and are capable of being treated as an elective Professional Client in accordance with the Rules or other applicable law and you will notify us immediately of any changes to your status that mean you are no longer capable of being treated as such; and
- E. any information provided by you to us is complete and accurate and not misleading in any material aspect. You undertake to inform us if there is any material change in any information that you provide to us. For the avoidance of doubt such information will include (but not be limited to) changes in your corporate structure, fund management, address, authorised persons and / or regulatory status.

15.2 Where you are acting on behalf of Your Clients, you represent and warrant that:

- A. You have identified and where required evidenced the identity of Your Clients to the standards required for regulatory and anti-money laundering purposes by both general law and the Rules (irrespective of whether you are bound by UK law or the Rules);

16. INFORMATION AND CONFIDENTIALITY

- 16.1 We will at all times treat any information relating to each client of Panmure Liberum as confidential within the Panmure Liberum Group. However, we may disclose information concerning you or your investments or transactions to:
- A. directors, officers and employees of the Panmure Liberum Group; or

 - C. if you invest in a new issue of securities, your identity and the size of your investment will be shared with the issuer in accordance with the Rules; or

 - E. to a third party supplier (with whom any member of the Panmure Liberum Group has entered into an agreement) in relation to the provision of services under this Agreement; or
 - F. if the information has come into the public domain other than due to breach of confidentiality by us.
- 16.2 You hereby authorise and consent to such disclosure and authorise Panmure Liberum to co-operate with and/or report to such authorities and exchanges. You agree that our duties to you will not restrict our freedom to take all steps which we consider to be necessary to comply with the laws, rules and regulations applicable to us.
- 16.3 You shall not disclose confidential information acquired in consequence of or our relationship under these Terms of Business except for such information as you are bound to disclose by law or which is requested by regulatory authorities or which you disclose to your professional advisors as information necessary for the performance of their services to you.

17. AMENDMENTS AND TERMINATION

- 17.1 These Terms of Business may be amended by us at anytime on giving ten UK Business Days' prior written notice to you (unless it is impractical in the circumstances to do so) where, in our opinion, such amendment is required in order to comply with the rules of any regulatory body or organisation to which we belong.
- 17.2 The following shall constitute Events of Default:
- A. you default in any payment or other obligation you may have to us;
 - B. any bankruptcy, winding-up, administration or similar petition be filed by or against you;

- C. notice be given of a general meeting of your creditors or any similar event;

- A. to close out, replace or reverse any transaction, buy, sell, borrow or lend or enter into any other transaction or take, or refrain from taking, such other action at such time or times and in such manner as, at our sole discretion, we consider necessary or appropriate to cover, reduce or eliminate our loss or liability under or in respect of any of your contracts, positions or commitments; and/or
 - B. to treat any or all transactions then outstanding as having been repudiated by you, in which event our obligations under such transaction or transactions shall thereupon be cancelled and terminated; and/or
 - C. to exercise any other power or right which we may have under these Terms of Business or in law/equity; and/or
 - D. to terminate these Terms of Business immediately.
- 17.4 In addition, our arrangements with you under these Terms of Business may be terminated at anytime without the occurrence of an Event of Default by either of us giving written notice to the other. Such notice shall take effect either on receipt or on such later date as is specified in the notice. Any such termination of these Terms of Business shall be without prejudice to the full completion and prompt settlement of any transactions already initiated prior to the date of termination.
- 17.5 Clauses 13, 16, 17, 18, 19, 27, 28 and 33 shall survive termination. Furthermore, termination of these Terms of Business shall not affect accrued rights, indemnities, existing commitments or any contractual provision intended to survive termination and will be without penalty or other additional payment.
- 17.6 At any time after termination of our arrangements with you or after we have determined, at our sole discretion, that you have not performed (or after we have reasonably determined that you may not be able or willing in the future to perform) any of your obligations to us or that there has been a material adverse change in market or economic conditions, we shall be entitled without notice:
- A. to treat any or all investment dealing transactions then outstanding as having been cancelled or terminated; and/or
 - B. to sell such of your investments as we may, in our discretion, select in order to realise funds sufficient to cover any outstanding amount; and/or

manner as, in our sole discretion, we consider necessary or appropriate to cover, reduce or eliminate our loss or liability under or in respect of any contracts, positions or commitments; and/or

- D. to act for parties where a conflict of interest may exist; and/or
- E. to take any other steps which we consider to be necessary to meet any obligations which you have under this Agreement or otherwise to protect our position.

17.7 Any cost of (or losses incurred in) effecting Clause 17.6 or in effecting any related transaction shall be for your account.

17.8 The provisions of this Clause 17 are without prejudice to the provisions of Clause 13.

18. LIMITATION OF LIABILITY

18.1 We (and our directors, officers, employees and agents) shall not be liable for any loss, liability or expense suffered or incurred by you arising directly or indirectly out of or in connection with our investment business with or for you save to the extent such loss, liability, or expense arises, from our gross negligence, fraud or wilful default and does not arise from a breach of these Terms of Business by you.

18.2 Without prejudice to the generality of the foregoing, Panmure Liberum shall not be liable for any loss or expense you may incur by reason of any reasonable delay or change in market conditions before any particular transaction is effected.

18.3 The provisions of this Clause 18 shall not have the effect of excluding or restricting any duty which we have in relation to you under the Rules or any liability which we may incur under the Financial Services and Markets Act 2000 or under the Rules in respect of a breach of any such duty.

18.4 In no event will we be liable for any consequential, indirect or special damage, nor will we be liable for any costs or penalties arising from buy-ins caused by your failure to settle sale transactions within the time frame permitted by the relevant market authority.

19. INDEMNITY

19.1 Subject to the rules of the Financial Conduct Authority, no claim shall be made against Panmure Liberum nor any member of the Panmure Liberum Group (for the purposes of this Clause 19 **"Indemnified Persons"**) by you to recover any damage, losses, liabilities, costs, charges and expenses (including, without limitation, any loss arising from delay or change in market conditions or from the acts or omissions or insolvency of any Third Party selected by us in good faith) which you or any other person may suffer or incur by reason of, arising out of or otherwise in connection with, our investment business with or for you or otherwise in connection with the carrying out by any Indemnified Person of any of its obligations (or exercise of its rights) under this Agreement save to the extent that such damage or loss arises as a result of the fraud, gross negligence or wilful default of any Indemnified Person or any contravention by any Indemnified Person of the Rules.

19.2 Subject to the saving provided at the end of this Clause 19.2, you hereby undertake and covenant to indemnify Panmure Liberum (for itself and as agent and trustee for each Indemnified Person) against all losses, liabilities, claims, penalties, costs, charges and expenses which Panmure Liberum (or any Indemnified Person) may suffer or incur:-

- A. as a result of buy-ins caused by you or your agents' (other than us) failure to settle sale transactions within the time permitted by the relevant market authority, together with any interest accruing thereon. Any such costs and/or penalties and/or interest shall be payable by you within 7 days from the date of our written demand; or
- B. as a result of any dispute between you and any of Your Clients, or any breach or alleged breach by you of the terms of your engagement with Your Clients, howsoever arising; or
- C. in connection with or arising out of:
 - (i) any breach or alleged breach by you of the warranties set out in Clause 15 or of any other provision of this Agreement; or
 - (ii) the performance by Panmure Liberum (or any Indemnified Person) of its obligations under this Agreement; or
- D. in respect of activity in ID markets (as defined at Clause 21.1), as a result of any failure to execute or settle a trade arising from your or Your Clients' failure to hold a valid NIN at the time an order is placed; or
- E. in respect of activity in ID markets in accordance with Clause 21, as a result of any breach by you or Your Clients arising from incomplete or inaccurate information provided by you, or any breach of the Foreign Ownership Limits by you or Your Clients as described at Clause 21.5, including where such breach occurs after the time an order is submitted as a result of a change in the applicable Foreign Ownership Limits (as defined at Clause 21.4); or
- F. as a result of any failure or delay in execution arising from your or Your Clients' failure to comply with Clause 14.6, as applicable,

save to the extent that any such losses, liabilities, claims, costs, charges, penalties or expenses are finally determined by a court of competent jurisdiction to result primarily from the fraud, gross negligence or wilful default of Panmure Liberum or any Indemnified Person.

- 19.3 Nothing in this Clause 19 shall have the effect of excluding or restricting any duty which we have in relation to you under the Rules or any liability which we may incur under the Financial Services and Markets Act 2000 or under the Rules in respect of a breach of any such duty.
- 19.4 You agree that, without prejudice to any claim you may have against Panmure Liberum (or any Indemnified Person) no liability will be assumed and no proceedings may be taken by you or Your Clients against any director, officer, employee or consultant of Panmure Liberum (or any Indemnified Person).
- 19.5 All sums payable under Clause 19.2 shall be paid free and clear of all deductions or withholdings unless the deduction or withholding is required by law.

20. GLOBAL EQUITIES TRADING (excluding ID Markets)

- 20.1 If you provide us with orders in securities admitted to trading on stock exchanges in Hong Kong, Japan, Singapore, Australia, New Zealand, Indonesia, Malaysia, Philippines and

Thailand (“**Australasian Orders**”), these will be executed via CGS-CIMB Securities International Pte Limited or one of its affiliates (together “**CGS-CIMB**”).

- 20.2 If you provide us with orders in equities traded on US stock exchanges, these will be executed via Raymond James & Associates Inc. or one of its affiliates (together “**Raymond James**”).
- 20.3 Where you provide us with any such orders, these will be subject to a limit order of USD\$10 million unless otherwise agreed between Panmure Liberum, CGS-CIMB, Raymond James and you as appropriate.
- 20.4 A communication chat channel will be created between each Panmure Liberum Client, Panmure Liberum and CGS-CIMB’s or Raymond James’ execution desks (“**Bloomberg IB**”) to facilitate communication between the three parties. Orders received and/or amended through FIX may be confirmed on the Bloomberg IB to ensure accuracy.
- 20.5 We shall book and report all orders during UK market hours. Any orders or amendments received outside UK market hours shall be booked during the following UK Business Day.
- 20.6 Panmure Liberum does not offer cross-currency settlement and therefore the parties will only settle in local currency.

21. GLOBAL EQUITIES TRADING (ID Markets)

- 21.1 Orders in securities traded on regulated stock exchanges in Dubai, Abu Dhabi, Egypt, The Kingdom of Saudi Arabia, Oman, Kuwait, Qatar and Bahrain, (collectively referred to as the “ID Markets”) will be transmitted at our discretion and in our capacity as your agent for execution to a Third Party in accordance with applicable laws. We will contract with such Third Parties as your agent and you and, where applicable Your Clients, shall be bound by the terms and conditions applicable to the services provided by the Third Parties (which will be made available to you on written request). We will not act as, nor shall ever be liable to you or Your Clients as, principal in such transactions. However, we must use reasonable care to execute the transaction at a price and on other terms which are fair and reasonable to you.
- 21.2 Prior to Panmure Liberum accepting or submitting any order for securities listed on an ID Market, you and, to the extent that you act as agent, any of Your Clients must hold a valid NIN and/or applicable regulatory authority and must have provided that NIN to Panmure Liberum in writing.
- 21.3 The obtaining, maintenance and renewal of your and/or Your Clients’ NIN is solely your responsibility. Panmure Liberum is not obliged to apply for a NIN on your behalf, nor to monitor the continued validity of any NIN provided by you to us. You and Your Clients warrant that all information and documentation submitted in connection with the application for, or maintenance of, your NIN or Your Clients’ NINs is accurate, complete and not misleading, and you and Your Clients undertake to notify Panmure Liberum immediately, in writing, if such NIN is suspended, revoked, amended or otherwise ceases to be valid.
- 21.4 Panmure Liberum shall have no liability to you or Your Clients for any failure to execute or settle a trade arising from your or Your Clients’ failure to hold a valid NIN at the time an order is placed. Any costs, losses or regulatory consequences arising from such failure shall be borne by you.

- 21.5 You acknowledge that each of the ID Markets may impose limits on aggregate foreign ownership of individual listed issuers and, in some cases, on the maximum holding that any single foreign investor may hold in a given issuer (together, "Foreign Ownership Limits"). Foreign Ownership Limits are issuer-specific, may be set by the relevant exchange, regulator or the issuer itself, and are subject to change without prior notice. You and Your Clients acknowledge that these limits may be amended by the relevant regulator at any time and that Panmure Liberum shall not be responsible for providing you with advice or guidance in this regard nor for monitoring Foreign Ownership Limits on a continuous basis.
- 21.6 You and Your Clients warrant that, prior to placing any order, you have determined that the order will not breach any applicable Foreign Ownership Limit and have assessed your current and beneficial holdings in the relevant issuer across all custodians, nominees and connected persons, together with any contractual or other arrangements that may give rise to an economic exposure to the issuer equivalent to a holding for the purposes of applicable Foreign Ownership Limits.
- 21.7 You acknowledge that no orders can be submitted to any ID Market on a non-Exchange Business Day. Any order received by Panmure Liberum from you on a non-Exchange Business Day in respect of a security admitted to trading on an ID Market will be held and, subject to your standing instructions, submitted at the opening of the relevant ID Market, unless you instruct otherwise. We shall book and report all orders during UK market hours. Any orders or amendments received outside UK market hours should be provided to Panmure Liberum and any Third Party notified to you as appropriate through the establishment of a communication chat channel using Bloomberg IB.
- 21.8 In accordance with Clause 14.6, you or Your Client, as appropriate, is responsible for ensuring that the relevant custodian or clearing bank has received and is able to act on all instructions necessary to satisfy the pre-funding requirement in good time before an order is placed by you with Panmure Liberum for execution in an ID Market. Panmure Liberum accepts no responsibility for any delay or failure in the custodian's or clearing bank's processing of any such instructions.
- 21.9 You acknowledge that the Third Party to which orders from you to us are submitted shall not be obliged to submit any order to an ID Market if it has not received, in a form and within such timeframe as it may reasonably require, confirmation from the relevant custodian or clearing bank that the pre-funding condition in clause 14.6 has been satisfied and you and Your Clients agree that a failure or delay in submitting such order on this basis shall not constitute a breach by Panmure Liberum of its agency obligations or of any best execution obligation.
- 21.10 For the purposes of Exchange Business Days, you acknowledge that in addition to Fridays, Saturdays and fixed public holidays, each ID Market observes Islamic calendar holidays, including Eid Al Fitr, Eid Al Adha, the Prophet's Birthday (Mawlid Al Nabi) and the Islamic New Year. The dates of these holidays are determined by observation of the lunar calendar and may be announced by the relevant ID Market at short notice, typically one to three days in advance. You acknowledge that:
- A. an Islamic holiday may be declared on a day that was not previously identified as a non-Exchange Business Day, resulting in an exchange closure without prior warning sufficient for you to adjust your instructions; and

- B. any order that cannot be submitted by reason of an unannounced exchange closure will, subject to your standing instructions, be treated as a Good Till Cancelled order and submitted at the opening of the next available trading day, unless Panmure Liberum or the Third Party as notified to you and as appropriate receives a cancellation instruction before that time.
- 21.11 Panmure Liberum shall not be liable for any losses, missed opportunities or settlement delays arising from an exchange closure caused by an Islamic calendar holiday, whether or not that closure was announced in advance.
- 21.12 Where a scheduled settlement date falls on a day that is or becomes a non-Exchange Business Day in the relevant ID Market (including by reason of an Islamic calendar holiday declared after the trade date), settlement will roll to the next available Exchange Business Day for that exchange. You accept all market risk and costs associated with any such rollover, including any mark-to-market loss arising in the intervening period.
- 21.13 All trades executed in an ID Market shall be denominated and settled in the relevant currency of the ID Market. Panmure Liberum will confirm the applicable settlement currency in each trade confirmation issued to you.
- 21.14 All commissions, fees and charges payable in connection with ID Market trading will be charged to you by the relevant Third Party unless otherwise agreed in writing.
- 21.15 You acknowledge that you are solely responsible for making all notifications and disclosures required of it as an investor or shareholder under the rules of each relevant ID Market and the applicable regulatory framework. Furthermore, you agree that Panmure Liberum's role as agent does not transfer to us any disclosure obligation that rests on you or Your Clients as the beneficial owner or principal. Panmure Liberum shall not be responsible for filing any regulatory notification on your or Your Clients' behalf.
- 21.16 Naked short selling (being the sale of securities that you neither own or have validly borrowed at the time of the order) is prohibited in ID Markets. Panmure Liberum will not knowingly transmit an order for execution to a Third Party that constitutes a naked short sale.
- 21.17 If you place a sell order for securities in an ID Market that will create a short position for you or Your Client, you warrant to Panmure Liberum that:
- A. You have a valid and subsisting securities borrowing arrangement in respect of the relevant securities sufficient to cover the order in its entirety;
 - B. the borrowed securities are, or will be, available for delivery in the relevant depository account on or before the scheduled settlement date; and
 - C. the short sale complies in all respects with the short selling rules of the relevant ID Market and any applicable regulatory requirements.
- 21.18 You acknowledge that the relevant Third Party to which an order from you to us is transmitted may be unable to execute an order at the precise size instructed if that size does not conform to the relevant exchange's minimum board lot requirements, and that any residual volume below the applicable board lot size may not be executed. Panmure Liberum will use reasonable endeavours to notify you of any board lot rounding applied to

an order. Any unexecuted residual arising from board lot constraints shall not constitute a partial execution failure by us.

21.19 Each ID Market operates daily price movement limits, which restrict the range within which a security may trade during any single trading day. These limits are subject to change by the relevant exchange. You acknowledge that where the price of a security moves to its daily limit, further trading in that security may be suspended for part or all of the remaining trading session. In such circumstances, Panmure Liberum shall not be liable for any order that remains unexecuted, in whole or in part, as a result of a price limit being reached or a circuit breaker being triggered on the relevant ID Market. You should provide Panmure Liberum with standing instructions as to how unexecuted orders should be treated in such circumstances.

21.20 Prior to placing any order in an ID Market, you should confirm with Panmure Liberum which order types are available on the relevant exchange. Where the order type requested by you is not available, Panmure Liberum will agree with you an acceptable alternative. In the absence of agreed alternative instructions, Panmure Liberum may, at its discretion, place the order as a limit order at the price specified by you or decline to transmit the order to the relevant Third Party.

21.21 Where you provide us with any such orders, these will be subject to a limit order of USD\$10 million unless otherwise agreed between Panmure Liberum, the Third Party and you as appropriate.

21.22 A Bloomberg IB will be created between each Panmure Liberum Client, Panmure Liberum and the Third Party's execution desks to facilitate communication between the three parties. Orders received and/or amended through FIX may be confirmed on the Bloomberg IB to ensure accuracy.

22. FORCE MAJEURE

We shall not be liable to you for the delay in performance or non-performance of any obligations under these Terms of Business by reason of any cause beyond our reasonable control, including without limitation any breakdown of transmission, communication or computer facilities, industrial disputes, failure of third parties to carry out their obligations, or acts of governmental or supranational authorities.

If you are not subject to UK/EU money laundering legislation we may require you to provide documentary evidence of your identity or Your Client's identity.

- 24.2 Panmure Liberum is required to identify and carry out due diligence checks in accordance with UK money laundering legislation and associated rules and guidance. You may be required to provide further information upon request in respect of you or Your Client to enable us to comply with such UK money laundering legislation and associated rules and guidance. If you fail to provide any additional information requested by us for these purposes, we will not open an account for you, or to the extent you already have an account with us, such account will be suspended from trading until such time as the information requested from you has been provided to us.
